

Hosted District Web Site

Share district news, announcements, calendars, and more

To share news, announcements and district information with students, parents, and the community, districts need a customizable web site that is easy to use, create, and maintain. To maximize the value of the web site, there is an increasing need to have that site be integrated with other district collaborative and social tools and with safety features.

With the **Lightspeed Hosted District Web Site** you can:

Implement a flexible, custom web site.

Post announcements, events, maps, links, and more.

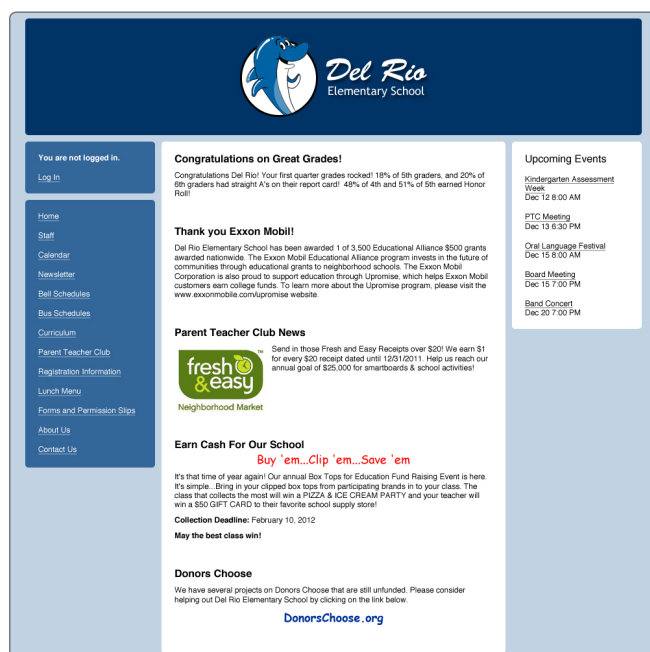

Minimize time with an interface that's easy to update and manage without technical expertise.

Integrate your site with teacher and class pages and a collaborative platform and content filter.

Give teachers an easy way to manage class activity and home communication all at once.
