

Hosted Email

Provide safe, monitored email accounts with unlimited file storage—all in the cloud

Districts need an efficient way for students and staff to communicate—but with features and reporting to ensure user safety, security, appropriate use, and eDiscovery compliance. Lightspeed Hosted Email provides a safe, monitored email solution for students and staff, so you can encourage communication without worrying about viruses, spam, or inappropriate content hitting your network. With unlimited file storage, users can access files from anywhere to promote 24/7 learning.

Hosted Email is the integrated messaging feature of My Big Campus, a safe social learning platform.

With the **Lightspeed Hosted Email**, you can:

Promote communication between students, teachers, staff, and parents.

Keep users safe with profanity interception, spam filtering, and image scanning.

Protect your network with virus and spyware blocking.

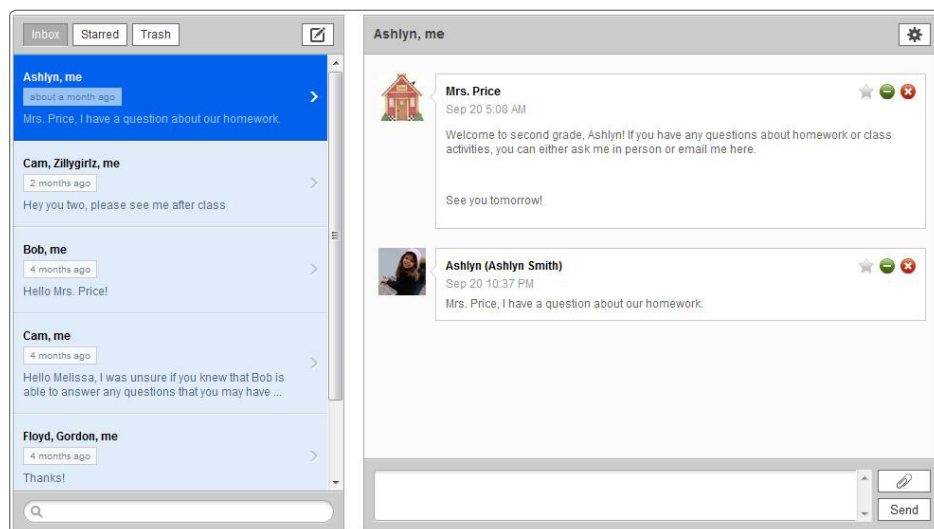

Report on use and potential misuse of email.

Easily and securely transfer files between home and school.

Save money on hardware costs.
