

Extend the classroom to a safe, engaging online environment

Students and teachers are clamoring for more access to resources and opportunities for collaboration; but IT needs to maintain network security, CIPA compliance, user safety, and AUPs. My Big Campus provides an engaging online environment to promote blended learning within a safe, monitored platform that balances educational use of Web 2.0 with network and student safety.

With My Big Campus, you can:

- Encourage participatory learning and communication** between students and teachers.
- Provide easy access to valuable online resources**, including videos and dynamic content.
- Teach students** responsible online behavior and communication skills.
- Implement collaborative** student projects.
- Manage** class assignments and assist with homework.
- Allow students** to write and publish within a closed community.
- Share content** within a class, a school, a group, or with all My Big Campus users.
- Create Professional Learning Communities** and share ideas and resources.

Groups for classes, projects, clubs, or activities bring users together for collaboration and discussion.

FEATURES

For Educators & Students:

- Educational Resource Library with thousands of videos, wikis, documents, and websites.
- School, Group, and User profiles with walls, events lists, and more.
- Multiple user type profiles (Student, Teacher, and Administrator).

- Online assessments, surveys and quizzes.
- EduTalk professional learning network.
- Digital classroom tools to post assignments and submit homework.
- Calendars to aide in organization.
- Collections, to organize resources from the library into sets based on topic or lesson.
- Connections with peers to share ideas and provide professional feedback.
- Familiar interfaces and vocabulary.
- Video help tutorials on basic tasks and key tools.
- Anytime, anywhere access.

For IT Staff:

- Authenticated user access to ensure AUPs are strictly enforced.
- Granular reporting on individual user activity, inappropriate content or suspicious words.
- Customizable permissions and settings.
- CIPA-compliant filtering of pornography.
- Private file storage with virus scanning and skin-tone analysis.
- Interception of English and Spanish profanity.
- SIS integration.
- Integrate with Active Directory and existing filtering policies.

“My Big Campus provides a user-friendly resource to enhance classroom instruction. It allows 24/7 access to class assignments, discussions, resources, announcements, and calendars. My Big Campus gives us a social networking system that is not only safe, but that also provides a platform to instruct our students in the art of appropriate Internet social skills.”

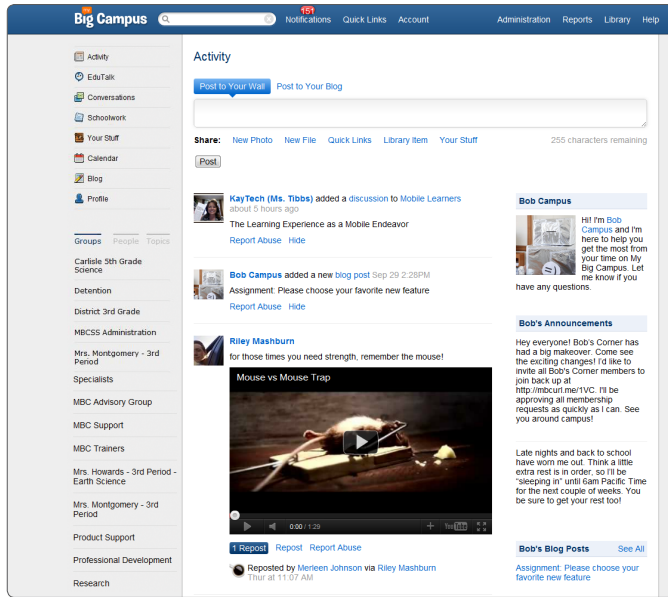

— Chrissie Allen,
Technology Integration Specialist,
Atlanta ISD

Comprehensive, Customizable Reporting

My Big Campus allows you to extend the classroom and provide 24/7 learning opportunities to keep your students active participants in their education. Monitor use with comprehensive reports like:

- Suspicious Activity
- Uploaded Files
- SIS Integration
- Activity by Specific User
- Activity Containing Specific Words
- Activity During Specific Time

The **Suspicious Activity** report can alert you to potential violence, suicide risk, and inappropriate language.

Access Thousands of Online Resources with the Educational Resource Library

There's finally a way to access and incorporate all of the rich educational content found in Web 2.0—safely. With the **Educational Resource Library** you can access dynamic content while maintaining your current web filtering policies to keep your users safe. Start putting the valuable content to use by easily incorporating educational videos, websites, documents, walls, blogs, and more into lesson plans, assignments, and discussions within My Big Campus.

My Big Campus is available as a hosted solution.

With My Big Campus, you can enjoy the convenience and cost-savings of a solution in the cloud. Access My Big Campus from anywhere, anytime, to create a true blended learning environment.

My Big Campus is provided as a feature of the Lightspeed Web Filter and Mobile Filter at no additional cost.

Available as part of the Campus Collaboration Bundle.
